

Richmond Citizens Advice Bureau

Exciting opportunity for enthusiastic webmaster

Volunteer **Webmaster** needed to help design & build staff and public websites for Richmond Citizens Advice Bureau Service.

Experience required:

- Wordpress (self hosted)
- Cpanel
- CSS
- HTML
- Knowledge of PHP & SEO advantageous

This is a great opportunity for an enthusiastic person to help provide user friendly websites for our staff, volunteers and clients.

In helping us, you will be helping the only service in the country to provide advice and information on everything, to everyone, completely free of charge (imagine that on your CV?)
